Dear Sir:

With reference to the subject application, and in accordance with 37 CFR § 1.97 and § 1.98, Applicants hereby make of record the enclosed Office Action dated February 13, 2004 issued in the corresponding Chinese Patent Application No. 01118405. This document is submitted in both Chinese and its English translation. The reference (US 6,062,868) was previously cited by the Examiner in an Office Action dated February 19, 2002. Since this is not a publication, no PTO Form SB/08/a/b is being submitted with this paper. The Examiner is requested to make this document of record.

The information contained herewith under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 393032025300.

Respectfully submitted,
